Your case is important and we treat it that way. We are relentless when it comes to protecting our clients' interest and obtaining fair settlements. **WE PROMISE:** (1) If the law and facts entitle you to recover damages-we can help; (2) To keep you informed of your case's developments: (3) To always return your calls promptly; (4) To guide you through the legal process and thoroughly answer any questions; and (5) To resolve your case to your satisfaction as quickly as possible.

Our substantial trial experience and the preparation of our cases for trial serve to maximize client recoveries, often through favorable settlements outside the courtroom. We have successfully represented hundreds of folks and their families, ensuring each is fairly treated and compensated. We are humbled and honored by the fact that most of our clients are referred to us by former clients. Before you talk to the insurance company, call us first or you may make a permanent costly mistake.

Dardanelle Area Chamber of COMMERCE

Nestled between Mt. Nebo-Lake Dardanelle and the Arkansas River, we have the finest fishing, hunting, camping and breathtaking scenery to be found in Arkansas.

Due to the increasing growth of industry in Dardanelle and the ideal location of our city for retirement and our excellent schools and beautiful churches, we are one of the fastest growing little towns in Arkansas.

We invite you to tour our area, see our beautiful mountains, visit our many lakes, rivers and parks with hunting, public access areas and camping and boating facilities. We hope you will, as many others before you, fall in love with our land and come to live with us.

Preparing for an Emergency Makes Sense.

The likelihood that you and your family will survive a house fire depends as much on having a working smoke detector and an exit strategy, as on a well-trained fire department. The same is true for surviving a terrorist attack or other emergency. We must have the tools and plans in place to make it on our own, at least for a period of time, no matter where we are when disaster strikes. Just like having a working smoke detector, preparing for the unexpected makes sense. **Get ready now.**

1 **Get a Kit** of Emergency Supplies.

2 **Make a Plan** For What You Will Do in an Emergency.

3 **Be Informed** About What Might Happen.

4 **Get Involved** in Preparing Your Community.
